USS LTD. agrees to:

1. Furnish labor and material for the installation of 11 steel piers to stabilize the vertical settlement at the area piers. If lift is requested, the degree of lift and amount of correction can neither be predicted nor guaranteed. The guarantee covers vertical stabilization in the area piers only as indicated in sketch below.
2. Backfill and tamp all removed dirt or stone and replace concrete that we removed.
3. Complete the above within approximately 3-5 working days.
4. Not be responsible for any tile, carpet, paneling, drywall, interior damage, appliances, air conditioners, utilities, etc. or the survival of outside plants that need to be removed and replaced.
5. Assume normal construction and concrete thickness and that no unforeseen condition exists. If this is not the case or if previous concrete underpins/piers are encountered, an additional agreed upon charge will be made to prepare the affected area for proper pier installation.
